

Deadline Extended: Proposals Due February 1, 2011 CALL FOR ART AND IDEAS AND PEOPLE AND BABY MONKEYS

Recently, *The 10 Cameras Project* team selected ten artists and anonymously sent one package to each of the respective participants. Each package contained a 27-exposure disposable camera and was accompanied by a detailed letter of instructions inviting the artist to shoot all of the exposures and submit the undeveloped camera, either by mail or in person, to a dropbox in Phoenix, AZ.

10CP has recently collected the cameras from the chosen artists and is actively seeking public involvement for the next stage of the project. **Organizers are inviting all community members irrespective of academic or professional experiences to submit bartering proposals indicating what goods you would be willing to provide us with in exchange for one of the aforementioned artist cameras. Ten of the submitted community proposals will ultimately be selected, and traded objects will then be collected and exhibited in a Phoenix-based gallery for a month-long art installation.**

Please include the following with your bartering proposal:

- ∞ 1-2 page proposal explaining what you would like to barter in exchange for one of these awesome artist cameras filled with God knows what.
- ∞ Do you have a preference for a particular artist's camera? Tell us why.
- ∞ 3-5 images of your proposed object (or idea, or better yet, person) for exchange.
- ∞ Size dimensions & medium of proposed object / concept.
- ∞ Include a brief bio. Who are you? What tickles your fancy?
- ∞ Contact Information (Name, Phone Number, Address, Email, Website)
- ∞ Any additional information that will aid us in our decision.

Please email all documents to the *10 Cameras Project* team at 10camerasproject@gmail.com before February 1, 2011.
